

July 2023 PCC Resolution re Living in Love and Faith

The PCC

- welcomes the article by the Vicar in the July Clarion about the continuing debate surrounding the Living in Love and Faith Report; and
- while acknowledging the different and deeply held convictions on this issue, regrets that the recently released papers for the July meeting of General Synod have revealed that no final decision will be made in July by General Synod as to the route by which the Prayers of Love and Faith will be made available for use; and
- looks forward to an open discussion of the issues in the Parish in the autumn, in hope that all may walk together in a radical Christian vision of inclusion.
